APPENDIX "E"

MEMORANDUM FOR THE JOINT STAFF PLANNERS

1. The Central Intelligence Group has agreed to publish a series of encyclopedic studies of foreign countries and areas which will contain information, in general, similar to that which is now being published in the Joint Army-Navy Intelligence Studies (JANIS).

2. The publication of JANIS will therefore be discontinued, and requests for coverage of areas necessitating this type of study for planning purposes will be made in the future to the Central Intelligence Group through the Joint Intelligence Committee rather than to the Joint Intelligence Study Publishing Board.
